

This is my community and my home, and these are my neighbors.  
We will stand together and commit to:

**SPEAK  
UP** When I hear or read hate speech and see intolerance,  
in person or through social media, I will speak up.

**STAND  
WITH** When the vulnerable in our community are threatened,  
I will stand up and support them.

**SHOW  
LOVE** I will stand for justice and mercy and will counter hate  
by showing love.
